

Register Your Credit Card

Safely secure your credit card information on file with Rexall to purchase prescription medication for yourself or a loved one.

Why do you need to register?

Credit card information can not be saved at store level as per Payment Card Industry (PCI) compliance standards. Thus, we need to register your card in a secure location.

Multiple patients can be registered for payment with a single card.

We accept:

Visa MasterCard American Express Visa Debit

How to register

Call 1-844-382-4021

Monday to Friday 9am - 5pm (EST)

You will be asked to provide the following patient information:

Name, address, phone number, date of birth, credit card (including CVV) information and a patient prescription number.

Rexall Store #*

Patient Prescription #*

* Rexall store number and patient prescription number can be provided by your local Rexall Pharmacist. Visit rexall.ca/storelocator for specific location information.
